EXPERIENCE

Undergraduate Teacher's Assistant · **Hunter College** · Manhattan, NY · Fall 2018
- Helped teach topics of Discrete Mathematics such as combinatorics, number theory, and graph theory to students.
- Assisted with administrative tasks such as homework acquisition and grading.

Teacher · **Wagner College** · Staten Island, NY · Summer 2017
- Taught students the fundamentals of game design through Unity focusing proper level design that incorporates incremental progress for the player, as well as how to master Unity manipulation techniques.
- Taught the basics of logic and programming, mainly through C# and partially through JavaScript, focusing on introductory flow control.
- Worked full time, teaching two cohorts of students 12-18.

Teacher's Assistant · **Wagner College** · Staten Island, NY · Summers 2015, 2016
- Helped teach the fundamentals of game design through Unity, developing a curriculum to use in future classes (see previous entry), and learning by trial and error.
- Worked full time, teaching two cohorts of students 12-18.

Volunteer · **NYU Langone Hospital - Brooklyn** · Brooklyn, NY · June – September 2015
- Processed lab-work and samples for outpatient clinics.
- Assisted with patient care, making sure that the patients were well informed about what to expect from their hospital visit.
- Performed administrative tasks such as filing, answering phones, and transporting medication from the pharmacy to the clinic.
